SUMMARY

A highly motivated and detail-oriented fresher with a strong foundation in computer science principles and programming. Eager to apply my academic knowledge and technical skills to contribute to a dynamic team. A quick learner with a strong work ethic and a passion for technology.

EXPERIENCE

Intern

ITKRAFTZ

July 2025 - Present

PROJECT

Employee Leave Management System (ELMS)

- Automated the leave management process by building a system with role-based access (Employee/Admin).
- Enhanced user interaction by implementing **AJAX** for submitting requests and updating statuses without page reloads.
- **Tech Stack:** PHP, MySQL, JavaScript, AJAX, jQuery, HTML, CSS.

Courier Management System (CMS)

- Streamlined courier tracking by developing a central system for creating, updating, and tracking parcel status.
- Leveraged the **Django framework** to ensure a clean, maintainable, and secure codebase.
- **Tech Stack:** Python, MySQL, JavaScript, AJAX, HTML, CSS.

Quiz Application

- Developed a standalone desktop application with a graphical interface for conducting timed quizzes.
- Gained experience in both file handling and database integration for data persistence within a single project.
- **Tech Stack:** Python, Tkinter, MySQL, File I/O.

AI-Based Threat Detection Platform

ITKRAFTZ

- Engineering a full-stack application that leverages a **Threat Intelligence API** to analyze and report security risks in real-time.
- Creating a dynamic front-end with **Streamlit** for user input and to display structured threat reports from the API.
- Demonstrating strong skills in external system integration and handling API data workflows.
- **Tech Stack:** Python, Streamlit, REST API, Data Parsing, (e.g., VirusTotal API).

EDUCATION

MCA

Brindavan group of institutions • Dwarakanagar yelahanka Bengaluru • 2025 • 8.57
• pursuing

Bsc in computer science

Government first grade college • Yelahanka Bengaluru • 2023 • 8.64

CERTIFICATIONS

Foundation course on IR4.0 Technologies

Techsaksham • 2025

- A joint CSR initiative between microsoft and SAP implemented by edunet foundation

Magic bus livelihood programme

Magic bus livelihood centre • 2025

- This includes leadership, personal development, life skills, core employability skills, communication and interpretation skills

SKILLS

Front end :HTML, CSS, Javascript

Coding - C, JAVA, PYTHON
